

Chief Executive Officer
NephCure Kidney International
Location: Flexible

SUMMARY

NephCure Kidney International (NephCure) seeks an inspiring, energetic and innovative leader to serve as its next CEO and lead the organization into the future. Established in 1999, NephCure is a global, research-focused patient advocacy group committed exclusively to supporting research seeking the cause of the kidney disease **Focal Segmental Glomerulosclerosis** (FSGS) and the diseases that cause **Nephrotic Syndrome**. The organization is on a singular mission to accelerate and improve treatments for patients and to ultimately find a cure for these diseases.

NephCure Kidney International is achieving this mission by:

- Funding research around the globe that will continue to move us closer to improved treatment and a cure.
- Establishing a clinical trials network to drive research efforts.
- Serving as the primary source of information on Nephrotic Syndrome and FSGS.
- Leading the charge for legislative action to provide more federal funding for research into Nephrotic Syndrome and FSGS.
- Working to attract researchers to this field.
- Educating the public and raising awareness about Nephrotic Syndrome and FSGS.

This is a full-time position reporting to the Board of Directors. The corporate office is located in suburban Philadelphia but candidates can be located anywhere in the United States. For more information about NephCure Kidney International, please visit <https://nephcure.org/>.
